HUMOR - One day Johnny walks into his Mom & Dad's bedroom, catching them in the middle of having sex. Later that day Johnny asked, "Dad, what were you and Mommy doing?" Dad replies, "Well, Johnny, we were making a baby brother for you". Johnny gets excited that he might have a baby brother on the way.

The next day the father returns home from work to find Johnny sitting on the porch, head resting on his hands and looking very sad. The Dad said, "Johnny what's wrong buddy?" to which Johnny replied, "Remember yesterday you told me you and Mommy were making a baby brother for me?" The father trying to console Johnny, "Yes, so what's with the sad face today?" Johnny, almost in tears, said "Well today the mailman came over and ate him!!!"
